

ARREST SECOND YOUTH FOR PART IN GANG FIGHT

Frank Butler Held on Charge of Being Disorderly and Discharging Pistol.

RESULT OF RECENT SHOOTING

Marcus Kaufman, Who Was Wounded, Now Believed by Surgeons to Be Out of Danger—Old Feud Between Rivals.

Frank Butler, fifteen years old, son of Building Inspector John E. Butler, 216 West Main Street, was arrested yesterday by Policeman Hooker in connection with the gang fight at First and Franklin Streets on Monday night. The boy is charged with being disorderly and firing a pistol.

FREQUENT CLASHES BETWEEN RIVAL GANGS

The fight occurred in the heart of Richmond's residential section and attracted considerable attention. The police are authorities for the statement that there has been enmity between the "Third Street Gang" and the crowd known to them as the "Oregon Hill Gang" for about a year, and that fights between them have been frequent. Both of these crowds have been dispersed several times by officers.

It was said last night that the crowd known as the "Oregon Hill Gang" is in reality a crowd of boys who congregate at Albemarle and Pine Streets, and who call themselves the "Albemarle Outlaws." These boys frequently proceed to the vicinity of Third and Grace Streets, after congregating, it is said, and there meeting the "Third Street Gang." There has been a fight each time the gangs met. According to the police, the shooting of Monday night was the culmination of a running fight from the corner of Third and Grace Streets.

Kaufman was reported last night as improved. It has been found that the bullet did not penetrate his head, and surgeons are of the opinion he will be able to leave the hospital shortly.

The principal addresses of the opening session were delivered by Dr. James Lewis Howe, of Washington, and Lee University, and Karl Lehman, Southern States secretary. Mr. Lehman stated that 601 societies had been formed in the South in the past nine months and that the membership of Christian Endeavor Societies had increased more than 50 per cent.

FOUR TRIED FOR MURDER

White Man and Three Negroes Accused of Killing Winston-Salem Man.

ALBEMARLE, N. C., May 24.—C. B. Burgin, white, and Fred Wolfe, John Adams and Lester Horne, negroes, are being tried here to-day on the charge of murdering C. B. Cantrell, of Winston-Salem, at Baden on April 6. Burgin, who formerly lived at Winston-Salem, was in charge of a section of negro workmen on a power development at Baden. He left Winston-Salem, it is claimed, owing to a firm of which Cantrell was a member for furniture.

Cantrell was on his way to see Burgin to arrange a settlement. He was waylaid by negroes, and so badly beaten that he died. He regained consciousness long enough to identify one of the negroes, who, it is said, confessed to the crime, and named the other two negroes. The three negroes charge Burgin with inciting the crime. The case has created a great deal of interest. A special term of court was ordered by the Governor to give the prisoners a speedy trial.

Mr. Glass Denies He Covets Position

Lynchburg Congressman Says He Is Not Grasping for Political Distinction.

The Times-Dispatch has received the following letter from Representative Carter Glass:

"To the Editor of The Times-Dispatch:

"Sir—I am not willing that you should, without protest, represent me in your editorial columns as grasping for distinctions in Virginia politics. Your comment has no other basis than the fact that many of the Democratic voters of the State are signifying a desire to have me become a member of the national committee rather than the gentleman who is an active candidate for the place.

"I have never asked a living soul to vote for me for the position, and shall not do so. In the only public statement authorized by me, I distinctly said as you must know, that I had never dreamed of wanting to be national committeeman, and should never have permitted the use of my name because some one else wants the matter being presented in this manner. WOMAN'S STATUS AGAIN BEFORE PRESBYTERIANS

Becomes Subject of Protest to Be Registered To-Day by Fifty of the 300 Commissioners.

TO INCREASE ENDOWMENT FUND

Southern Assembly Sets Aside Third Sunday in September as Special Day for Calling for Money for Ministerial Relief.

ORLANDO, Fla., May 24.—Woman's status in the Southern Presbyterian church, which emerged from a maze of parliamentary entanglements in a year practically unchanged, became the subject to-day of a protest to be registered to-morrow by at least fifty of the less than 300 commissioners attending the general assembly here. At an informal meeting to-day, after the first session, they appointed a committee of five to frame a protest against the defeat of an amendment yesterday, which provided that women be "prohibited from expounding the Scriptures or leading in prayer in the public worship of the church."

The assembly to-day also decided to increase the endowment fund for ministerial relief to \$1,000,000, and to set aside the third Sunday in September of this year only as a special day for calling for money for this fund. It also was agreed that young men studying for the ministry should not be given money outright as heretofore, but that they should be given loans from the fund. The loans are to be paid back later, either in cash or in work for the church.

AMENDMENT IS LOST ON RECONSIDERATION

After the assembly had voted early in the week that women should not be allowed to preach, it took up the subject of whether they should be recognized as deaconesses. During discussion of the latter feature, the amendment objected to-day was offered, and it was carried. At the session yesterday afternoon, however, a long statement of the church's attitude toward women was presented and at practically the same time it was moved to reconsider the vote by which the restricted amendment had been passed in the morning. On reconsideration the amendment was lost. The protest planned to-day is to be presented to the assembly to-morrow, with the request that it be recorded on minutes.

Argument to-day in favor of the \$1,000,000 endowment fund for ministerial relief it was stated that the Presbyterians had more than \$7,000,000 invested in educational institutions. Total enrollment in Presbyterian institutions last year was 8,755.

The assembly to-day chose Birmingham as the 1917 meeting place. Chattanooga, Charleston, W. Va., and Durant, Okla., had asked for next year's meeting.

PRESIDENT AND HIS WIFE AT WEDDING IN NEW YORK

Guests at Marriage of Dr. Cary T. Grayson and Miss Alice Gertrude Gordon.

NEW YORK, May 24.—President and Mrs. Wilson were guests to-day at the wedding of Dr. Cary T. Grayson, of the White House physician, and Miss Alice Gertrude Gordon, of Washington and New York, in the chapel of St. George's. The President came here especially for the ceremony, and left here shortly afterwards for Washington.

The President and his wife, accompanied by Secretary and Mrs. McAdoo, Miss Helen Woodrow Bones, the President's cousin; Charles R. Crane, of Chicago, and John Randolph Bolling, a brother of Mrs. Wilson, arrived at the chapel promptly at 4 o'clock, and the ceremony was held at once. Mr. and Mrs. Wilson were ushered to the front pew of the church, which was solidly banked with white flowers.

Miss Gordon is a daughter of the late Mr. and Mrs. James J. Gordon, of Washington, and a niece of Mrs. Henry Wood Flournoy, of Farmville, Va., and Mrs. N. E. Flournoy, of Richmond.

Dr. Grayson's best man was Surgeon Archibald M. Fautourier, U. S. N. There were two ushers, Colonel William W. Harts, U. S. A., military aid to the President, and Captain Robert L. Berry, U. S. N., the President's naval aid, and commander of the President's yacht, Mayflower.

The bride was given away by her cousin, and former guardian, Patrick Wood Flournoy, of Charleston, W. Va. When the couple left the Flournoy residence, both the President and Mrs. Wilson joined other guests in showing them with confetti from the wedding windows. The President laughed heartily when a white slipper thrown by one of the guests landed on top of their automobile, and stayed there.

BEGINS STUMPING TOUR

J. Peter Holland Attacks the Record of Representative E. E. Holland in Congress.

NORFOLK, Va., May 24.—J. Peter Holland opened his stumping tour of the district here to-night with an address before a large number of Norfolk voters. He gave his reasons for opposing the re-nomination of Representative E. E. Holland, of Suffolk, and for desiring to succeed him as member of Congress from the Second District.

Mr. Holland attacked the record of the incumbent as a member of the State Senate and as Congressman, accusing him of lack of energy in advancing the interests of his district, having special reference to the Navy Yard. He also severely criticized Congressman Holland for his Norfolk and Portsmouth appointments, and promised that if elected he would consult the wishes of his constituents and none others.

Mr. Holland will speak on Friday night in Portsmouth and next week will speak in Suffolk.

J. Edward Cole, another candidate for Congress, has announced his platform, with the statement that he will speak in every city, county and town in the district. Harry Maynard, a fourth candidate, has not yet arranged for any public meetings.

TELLS OF CONVERSATIONS OVER "TAPPED" WIRES

Mayor Mitchell Reads Into Record of Thompson Committee Talk Heard by Police.

HE CHARGES CONSPIRACY

Refers to Efforts to Discredit City Administration—Names of Prominent Catholics and Others Are Mentioned.

NEW YORK, N. Y., May 24.—Mayor Mitchell read into the record before the Thompson legislative committee to-day conversations he alleged the police heard over telephone wires which they "tapped" by his orders, and which, he claimed, showed there was a conspiracy to discredit the city administration, and more particularly the department of charities, headed by John A. Kingsbury, who was indicted yesterday for his part in the wire-tapping activities.

The substance of the conversations, as revealed by the Mayor, related to ways and means for keeping witnesses and evidence away from the committee investigating Roman Catholic charitable institutions in this city. They told of efforts to dodge process servers, and in two or three instances appeared to refer to the supplying of funds which would enable certain persons to take trips to Atlantic City. The names most frequently mentioned by Mayor Mitchell were those of Monsignor J. J. Dunn, chancellor of the Archdiocese of New York; the Rev. William B. Farrell; Robert W. Hebbard, former secretary of the State Board of Charities, and Daniel C. Potter, a former employee of the city.

Father Farrell announced to-night that he intended to institute a civil action against the Mayor, charging defamation of character. Chairman Thompson allowed Mayor Mitchell to read the alleged conversations only after warning him that the committee considered them irrelevant, and that the Mayor must assume all responsibility for any resultant libel actions.

The appearance of the Mayor in the committee room was followed by considerable disorder. Several spectators shouted jibes at him, and quiet was restored only when Chairman Thompson threatened to clear the room.

After a brief wedding trip, they will make their home at City Point, where the groom is engaged in business.
